

## Second Thermax-ASSET Award (2012)

*The second set of Thermax-ASSET Awards was given away during the AGM meeting held on February 27, 2013, held at SCF Auditorium, BARC, Mumbai. There were, in all, about 15 nominations received, out of which the two candidates were chosen. The awardees were selected based on the recommendation of a distinguished jury jointly appointed by Thermax and ASSET. The winners were Dr. Dhaval R. Raut from University of Mumbai for Ph. D. and Ms Shrishma Paik from Homi Bhabha National Institute. While Dr. Raut is currently working as a KSKRA in Radiochemistry Division, Ms Paik is employed in Uranium Extraction Division, BARC. Dr. Anil Kakodkar, Former Chairman Atomic Energy Commission was the Chief Guest and gave away the prizes. Dr. R.R. Sonde, Exec. Vice President, Thermax, Prof. V.K. Manchanda, President, ASSET were also present during the ceremony which was presided over by Dr. K.L. Ramakumar, Director, Radiochemistry & Isotope Group, BARC*
