

Subject: Notice Regarding Registration Fees for SESTEC-2024 Participation

Dear All,

This email pertains to participants whose participation requires approval from their respective institutes, with registration fees to be paid from the institute's account. We wish to inform you that the SESTEC-2024 Symposium is approaching soon. While we have received approval letters from institutes such as BARC Mumbai and NRB Tarapur, we are still awaiting approvals from institutes like IGCAR Kalpakkam, NFC Hyderabad, and UCIL.

Please be aware that we will be unable to accommodate participants in SESTEC-2024 if we do not receive confirmation of participation and payment of registration fees by July 3rd. Participants who have already registered on the SESTEC website are kindly requested to reconfirm that their registration fees have been successfully paid.

Best regards,

Nimai Pathak

Secretary, SESTEC-2024
